

**501—9.3(80B) Training for holding facility personnel.**

**9.3(1) *Basic training.*** All appointed facility administrators and designees shall meet the following requirements within one year of employment:

*a.* First aid and cardiopulmonary resuscitation.

(1) The individual shall hold a Red Cross standard first aid certificate or the equivalent or one of the following:

1. Certification of Iowa law enforcement emergency care provider (ILEECP) certificate from the Iowa department of public health; or

2. Certification of completion of an emergency medical technician program; or

3. Licensure to practice as a licensed practical nurse, registered nurse or medical practitioner in the state of Iowa.

(2) The individual must have current course completion in cardiopulmonary resuscitation, AED and Foreign Body Airway Obstruction for all age groups according to national standards, with documentation furnished to the academy.

(3) All certification or licensure required by this rule must thereafter be maintained current according to the standards of the certifying or licensing agency.

*b.* Facility administrators and supervisors employed in holding facilities shall receive ten hours of training within the first year of employment. This training shall include the following or comparable course content:

(1) Introduction to Iowa criminal procedure and criminal law as applicable to the temporary holding facility setting including laws relating to the use of force.

(2) Security procedures, to include procedures regarding the proper methods of transporting detainees.

(3) Supervision of detainees, to include instruction on the basic civil rights of a detainee which would be applicable to a temporary holding facility.

(4) Recognizing symptoms of mental illness, retardation or substance abuse.

(5) Specific instruction in the prevention of jail suicides.

**9.3(2) *Continuing education.*** Administrators and supervisors of holding facilities shall complete five hours of in-service training, not to include hours spent in maintaining required certification or proficiency in first aid, life support, chemical agents, or handling of firearms.
